Any dietary requirements? Eg vegan/vegetarian/gluten free. Please note we will do our best to assist with dietary needs but cannot promise help as it depends on available stock.

Any dogs or cats?

Please note we cannot help with any other type of pet nor will we issue food fit for human consumption for pets (eg tuna).

Is this a one off or is help likely to be needed for a few weeks? If so, we will accept a maximum of 6 weeks (after which the referral will need to be reassessed).
